A NOTE FROM THE DIRECTORS:

Welcome to our Parents' Corner Newsletter. We just wanted to take a minute to say thank you for all your patience as there have been a lot of unexpected changes this year. It does not matter how well we plan, God can throw a wrench in all those plans. Proverbs 3:5-6 says "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths." No matter what happens, we just have to continue to trust God with the outcome. Thank you for the continued love and support that you have given us. We appreciate each and every one of you! It is hard to believe that February is already here, and we are beginning to make plans for Preschool Graduation and summer. We are excited to see what else our students will learn this school year.

Important Reminders:

This year is really flying by!! There is a lot going on the next several months! **Please make sure you are connected to and your notifications are on for Class Dojo for any announcements and messages.**

Here are some other reminders:

- Check your child's folder daily
- **LABEL, LABEL, LABEL everything**
- Bring a **labeled** cup with lid daily. **Make sure to take out all the parts of the cup and check for mold.**
- Bring a clean blanket and sheet every Monday morning
- Do not send your child to school if they are sick
- For those being potty trained, they need clothes that they can easily pull up and down themselves. They also need to be in underwear or pullups that Velcro on the side to make it easier for them to pull up on their own. **NO DIAPERS** on children being potty trained.
- Make sure your child has at least one (or more if potty training) **season appropriate change of clothes**
- If your child is going to need sunscreen, we must have a medication form filled out

Communication is Key....

Communication between teachers/parents and directors/parents is key to a healthy relationship in our program. If you have an issue, please come talk to one of the directors or send us a message. We cannot fix something what we do not know about. Please keep in mind that due to privacy reasons, we cannot communicate issues with Grandparents or other relatives.
